4. In *Thelma & Louise*, the women are depicted as victims of a patriarchal system that seeks to control and oppress them. The film's narrative is a journey of self-discovery and liberation, as the women break free from the constraints of society and embrace their autonomy. The film's ending, where the women are shown driving away into the distance, symbolizes their ultimate freedom and escape from the patriarchal system.

the 1980s, the Department of Health and Human Services (HHS) has been the primary federal agency responsible for coordinating and implementing the nation's health care policy. HHS has been the primary federal agency responsible for coordinating and implementing the nation's health care policy. HHS has been the primary federal agency responsible for coordinating and implementing the nation's health care policy.
